  - Our Western Extravaganza

Come perform at Yellowstone National Park's busiest gateway community! Located only 30 miles from Old Faithful, West Yellowstone has more lodging, and restaurants than any other town near Yellowstone Park, and features outdoor activities in and around the park that make our town a favorite draw for summer employment for young adults from all over the world.

As an employee of the PineCone Playhouse, you will be provided a place to live within walking distance of the theatre. The apartments are modest, but fully functioning with all modern conveniences. You may be asked to share an apartment with another player who you may, or may not know. (No, we don't do co-ed arrangements). Once Shows are open, you may work during the day if you choose.

Our Theatre features a multilevel proscenium stage in an acoustically amazing venue, only 2 blocks from Yellowstone.

Actors at the PineCone playhouse are expected to do more than just perform. As an actor, you will help in basic set construction, costume work and other tasks around the theatre. PineCone Players also help with advertising and marketing, which can range from hanging up posters, to singing and handing out flyers around town. As a PineCone Employee, you will be asked to help with basic cleaning and set changes after the shows each night. Each PineCone Player is assigned to work a small amount of time each week to work in the box office.

*Range of Salaries Dependent on roles and length of contract.  
Rehearsals will begin on May 14th and May 28th (depending on casting)  
Shows Close Sept 1st and September 29th (depending on casting)*
